DAVE "BOO" FERRISS

The editors and staff of the 1983 Broom are proud to dedicate this edition to a very deserving man, Coach Dave "Boo" Ferriss. Since 1959, Coach Ferriss has served Delta State University in many capacities. He has been Athletic Director and is currently serving as Foundation Director and Head Baseball Coach. With a 20 year record of 449-273-5, Coach Ferriss is one of the most respected college baseball coaches in the nation.

Before coming to Delta State, Coach Ferriss wore number "33" from 1945-1950 for the Boston Red Sox. In 1946, he was the American League's number one pitcher with a record of 25-6, and he hurled a 4-0 shutout over the St. Louis Cardinals in the 1946 World Series.

While at Delta State, Coach Ferriss has taken his Statesmen baseball team to the NCAA Division II College Baseball World Series a total of four times, finishing second in 1968 and 1978 and third in 1977 and 1982.

We here at Delta State are proud of the accomplishments this man has achieved for our institution, and it is with much gratitude and appreciation that this yearbook is dedicated.

The excitement slowly mounted as homecoming approached. Our maids were chosen and vividly pumped floats began making their debuts. To add to the fire of spirit week, various competitions and arousing pep rallies were held. Finally, the big day arrived and ABC television was there to capture all the thrill and support of an overwhelming crowd as the 1983 Statesmen battled with the Livingston Tigers!

HALL OF FAME

Honor

Rusty Parker

Being chosen as a member of the Hall of Fame is one of the highest honors a Delta State University student can receive. Nominations for the Hall of Fame are made by secret ballot by a selection committee composed of various student and staff members.

To be eligible for membership in the Hall of Fame, a student must meet the following requirements: (1) have an overall average of 2.5 at Delta State University, (2) be a senior with at least forty-five semester hours and shall be working towards an undergraduate degree, (3) not have previously been a member of the Hall of Fame.

From the entire student body, only eight members or less are chosen for membership into the Hall of Fame. Therefore, if a student is inducted into the Hall of Fame, he should indeed feel honored.

Delta Delta Delta

Delta Delta Delta was founded at Boston University on Thanksgiving Eve 1888. Delta State's Phi Phi chapter was established on November 10, 1962.

Through its many local, state, and national philanthropies, scholarships, and fund drives, Tri Delta has established a respectable position on DSU's campus. Its many leaders have branched out into other areas on campus such as honorary fraternities, singing groups, the band and majorette line, cheerleaders, beauties, campus government, and athletics.

Tri Delta's symbols are the Pansy, Pearl, and the Pine. Its colors are silver, gold, and blue. The three Delta's symbolize bonds which can never be broken.

Kappa Delta

Kappa Delta was established on October 23, 1897, at Longwood College in Farmville, Virginia. The Gamma Psi chapter of Kappa Delta was founded at Delta State on November 10, 1962.

We have girls on the band's majorette line, and in the flag corps. We are also well represented in the Student Government Association, Student Alumnae Association, Omicron Delta Kappa, and in "Who's Who Among American College Students." We also have Faculty Scholars, Delta Models, and members of the *Broom* and *Miss Delta* staffs.

Not only are Kappa Delta's active on campus, but also in giving to their national philanthropy, the Children's Hospital in Richmond, Virginia.

Kappa Delta, whose colors are olive green and pearl white, and whose flower is the white rose, is based on Christian beliefs of honor, beauty, and truth.

Phi Mu

Phi Mu Fraternity, the second oldest secret society for college women, was founded March 4, 1852 at Wesleyan College located in Macon, Georgia. The Kappa Epsilon Chapter of Phi Mu was installed at Delta State University on December 3, 1966. The Phi Mu Chapter at Delta State University, as well as the other 130 Phi Mu Chapters across the country, strive to follow the "Creed of Phi Mu" in their daily living. Phi Mu demands excellence in every endeavor — whether it be educational, cultural, social, philanthropic, or spiritual. Phi Mu's flower is the rose-colored carnation, and her colors are rose and white. The Phi Mu Coat of Arms features her open motto "Les Souers Fideles" The Faithful Sisters.

The Phi Mus of Kappa Epsilon have had an outstanding year. Our chapter here at Delta State University has had many achievements. Homecoming was a very memorable one for Phi Mu. Phi Mu was more than adequately represented on the homecoming court. Three out of five maids were Phi Mus. Two Phi Mus have won titles of "Beauties." Kappa Epsilon is also represented on DSU's modeling squad, tennis team, Lady Statesmen basketball team, cheerleading squad, majorette dance line, annual staff, and the Student Government Association. Phi Mus are also known for their leadership and scholastic achievements; her members are frequent on the Dean's List and President's List. In addition, Phi Mu has obtained outstanding recognition from her members who serve in leadership positions in the honorary fraternity, Omicron Delta Kappa. Phi Mus are, indeed, involved in all areas of DSU's campus life.

Kappa Alpha

The Kappa Alpha Order was founded December 21, 1865, on the campus of what is now Washington and Lee University and at Delta State on November 13, 1964. Kappa Alpha was established on the principles of strong brotherhood and the ideals of a southern gentleman which they always strive to maintain.

The Delta Beta chapter of Kappa Alpha has been involved in many ways on the campus of DSU. In 1982-83, there were KA's on the Student Government Association, Cheerleading Squad, Delta Models, Omicron Delta Kappa, ROTC, Student Alumni Association, and the BROOM and the Miss Delta Staffs.

The Kappa Alpha colors are crimson and old gold and the flowers are the red rose and the magnolia blossom. Kappa Alpha celebrates two formals each year, Black and White in the winter and the Rose Ball in the spring.

Pi Kappa Alpha

Pike was founded in 1868 at the University of Virginia by six men from various backgrounds. Delta State's Pi Kappa Alpha chapter, Zeta Beta, was founded in 1963. In those twenty years, Seta Beta has won four Smythe Awards, which are given to the most outstanding chapters in the nation. Only six of these awards were given out of over 170 chapters.

Our Fraternity and chapter's philosophy is that of individuality. We, like our founders, come from different backgrounds and different interests to form a group that is well represented on campus.

Both nationally and locally, Zeta Beta is recognized for its excellence. For the past twenty years and for the next twenty years, Pi Kappa Alpha has set and will set the Pi Kappa Alpha Standard of Excellence.

The 1982-83 school year saw the development of new costumed mascot for DSU athletic teams. Members of the student Alumni Association, Student Government association, "M" Club, Physical Education Majors Club, and the Women's Recreation Association chipped in to provide a custom-made suit for the Statesman mascot.

The costume, filled very ably by sophomore, Bubba Mullen of Merigold, added a new dimension to Statesman spirit at ballgames and pep rallies. Each spring, tryouts will be held to select a new mascot.

MORE ADVENTURE THAN A BLIND DATE.

Can you picture yourself swinging down a cliff? Or shooting the rapids? Or crossing a river using only a rope and your own two hands?

You'll have a chance to do all this and more in Army ROTC.

Adventure training like this helps you develop many of the qualities you'll need as an Army officer.

Qualities like self-confidence. Stamina. And the ability to perform under pressure.

If you'd like to find out more, make a date to see your Army ROTC Professor of Military Science.

Editor's Closing

The time has come for my year as Editor-in-Chief of the 1983 BROOM to come to an end. As I sit in my office, I remember all the things that I have gone through to make this yearbook a success. As far as that goes, I can honestly say that the 1983 BROOM would not be at all possible without the help and cooperation of many people. Some that I would like to say a special "Thank You" to are: Lisa Wong, my assistant editor whose will for work was unending. I would also like to thank Gene Luster, Edith Sledge, Margaret O'Quin, Lisa Crain, and Michael Smithers for their efforts that seemed to be tireless. Special thanks also go to Bob Lord, my advisor who helped me get the things I wanted for this yearbook, Cynthia Havens, who works in the Office of Public Information, because she was the one who always gave some cheerful or encouraging words when I was down, and my parents who supported me throughout this entire thing. The staff of the 1983 BROOM also deserves a very sincere thank you because they are the ones who actually put this yearbook together.

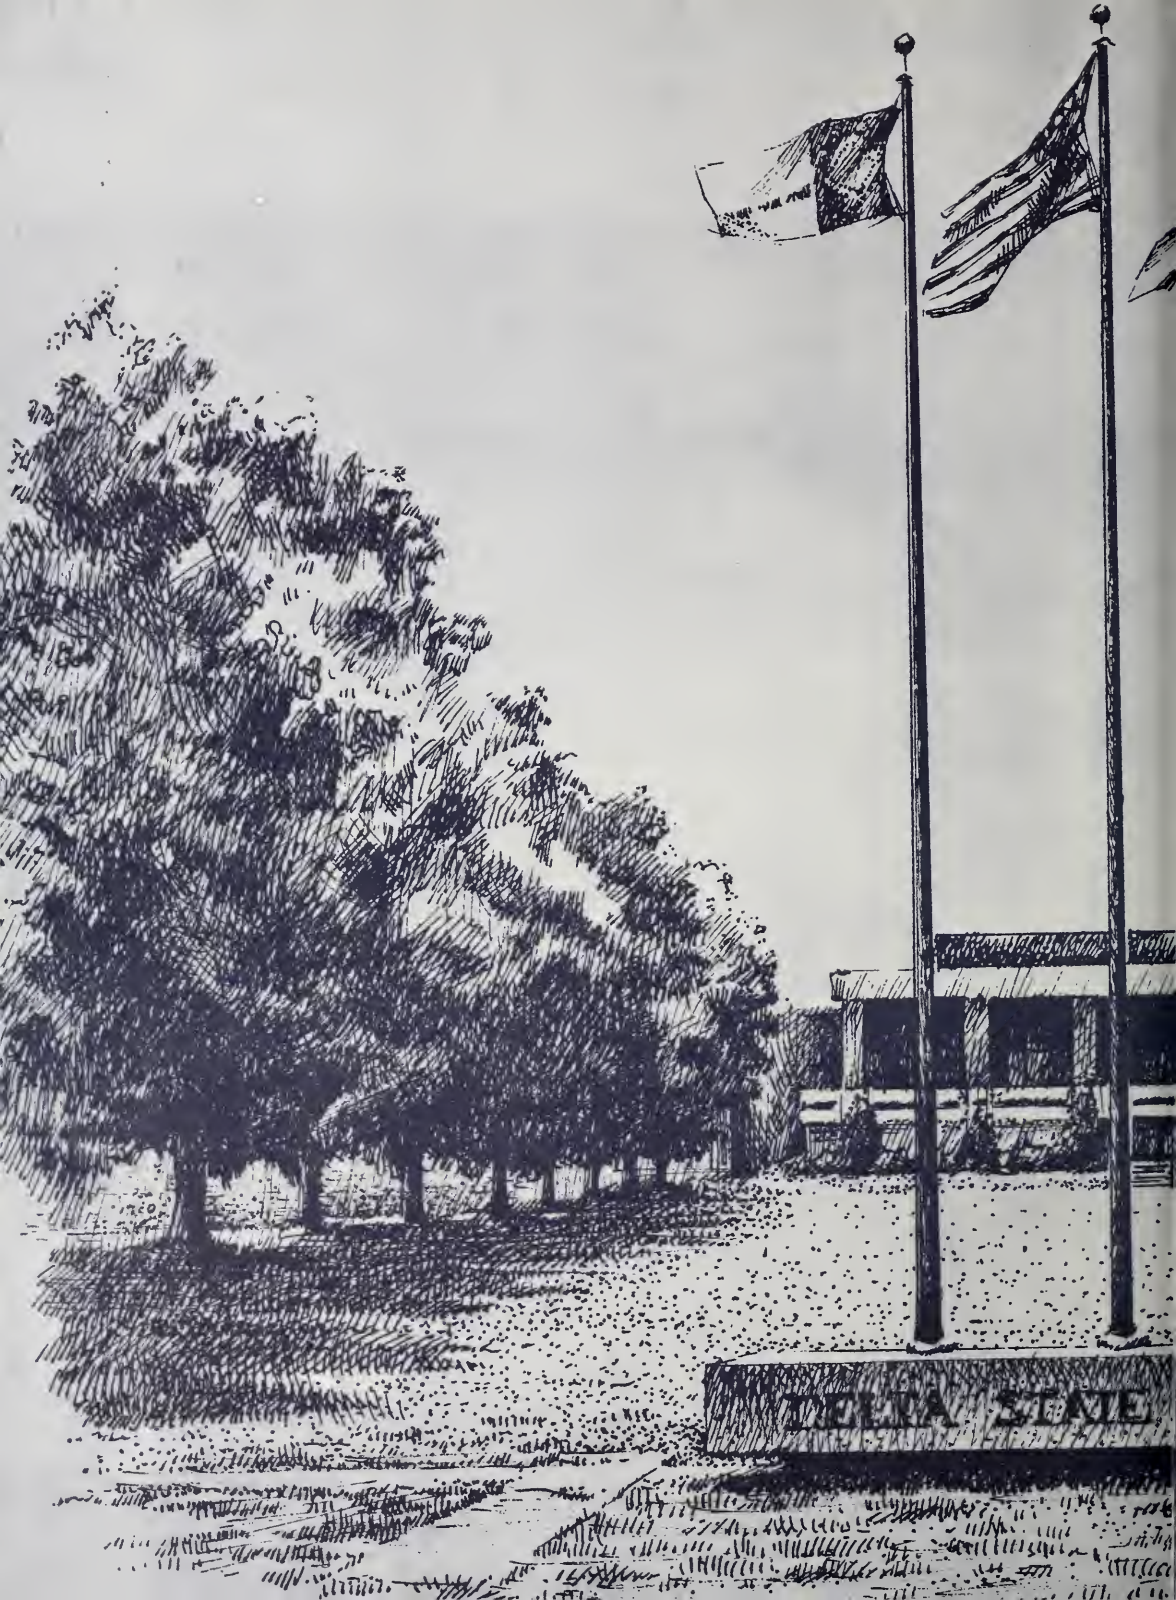

Boundless gratitude and appreciation also goes to George Copeland, the representative from Taylor Publishing Company for always being there when we needed someone to pull us out of the mud. Other thanks go to the Office of Public Information, Hugh Ellis Walker, Dr. Mike Robbins, and Dr. Kent Wyatt for their cooperation and willingness to do whatever was asked of them.

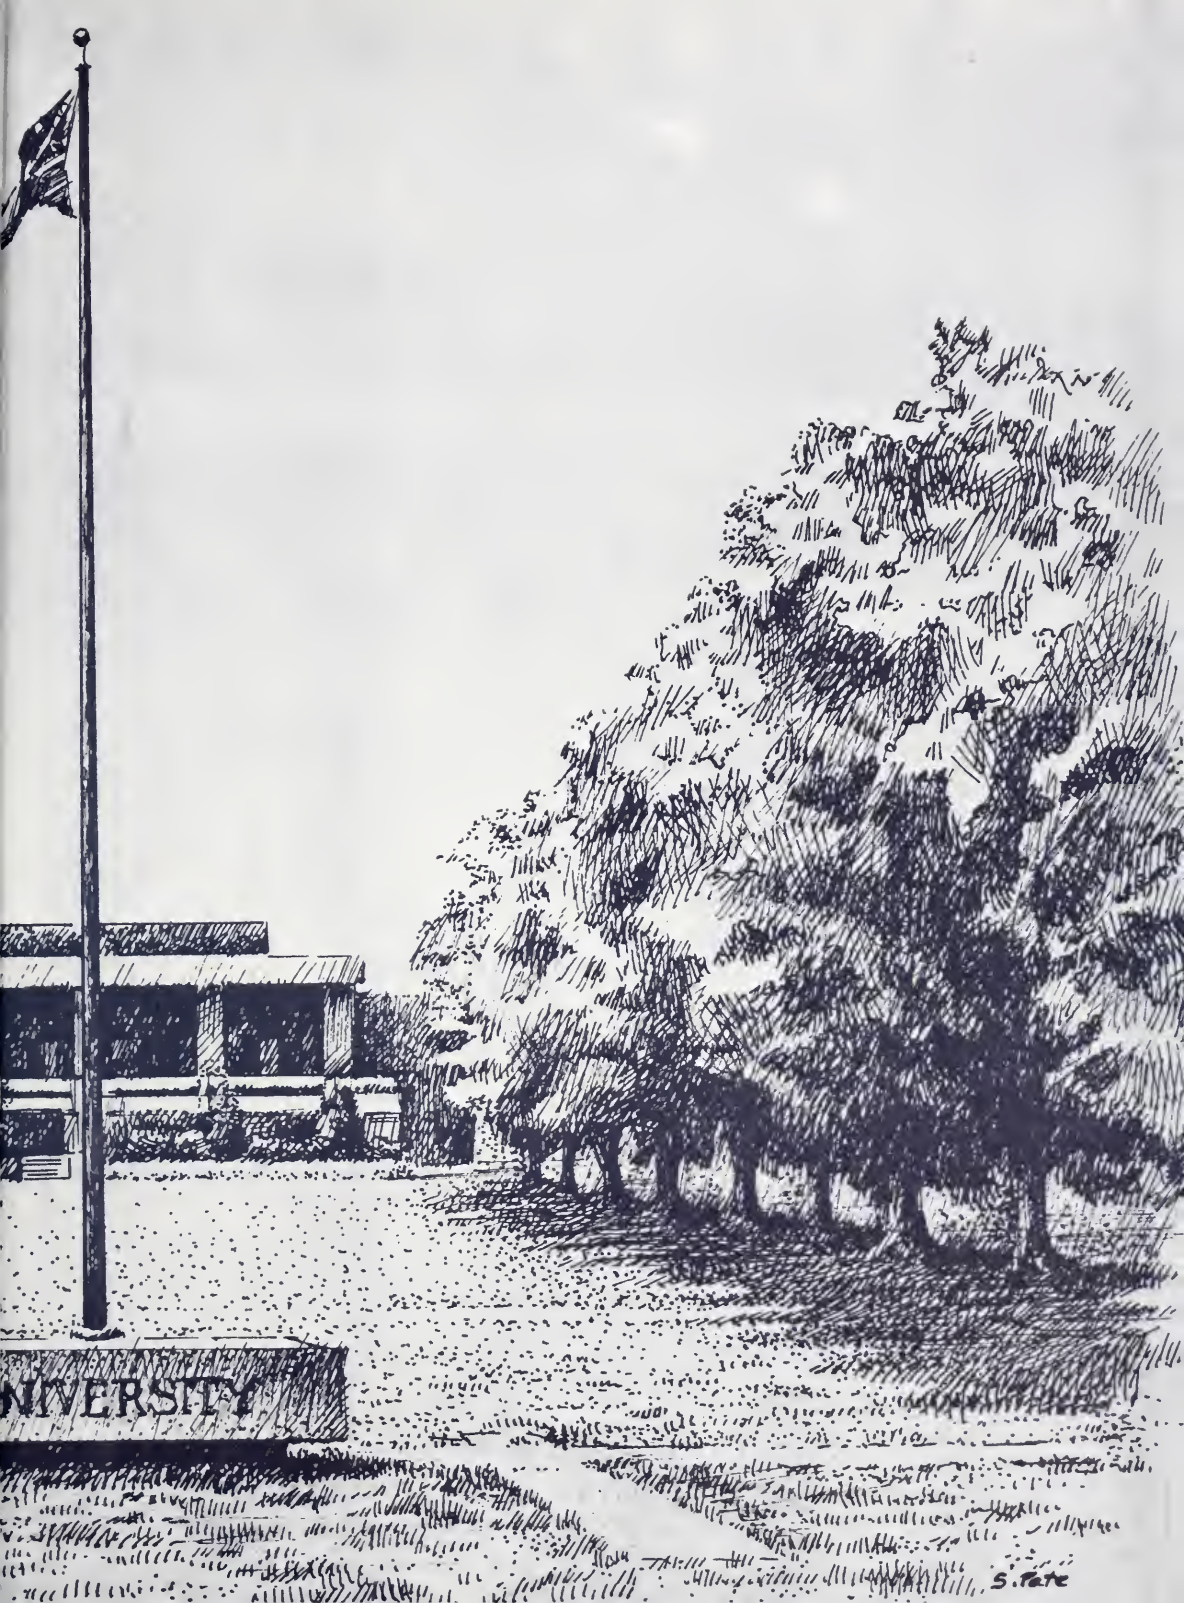

I have tried my best to make this yearbook something you, the student body, can be proud of. I hope that as you look through this yearbook in the years to come that it will bring back memories of the experiences we have shared at DSU.

Sincerely yours,

A handwritten signature in cursive script that reads "William Freeman".
